Driver for Cultural Navigation

Reports to: RN Navigator
Direct reports: None
Status: Hourly Consultant, 10-20 hours/week
Location: Driving range includes Metro Denver
Compensation: $28/hour

Organization Information
Founded in 1979 to provide intensive English language training to Denver’s international students, Spring Institute for Intercultural Learning is now home to a range of services and programs designed to strengthen intercultural connections in a vibrant community that includes immigrants, refugees, and all who welcome them. We strive to empower people and organizations to succeed across languages and cultures through adult and early childhood education, youth engagement, specialized career coaching, resource navigation support, language access services, and policy advocacy.

Job Description
The driver is part of a navigation team that supports non-English-speaking patients referred to Spring Institute through a partnership with UC Health. The program provides navigation assistance to patients to help them address their ongoing medical needs, as well as needs related to other social determinants of health, including housing, food access, and benefits. The Driver responds to requests from the Spring Institute’s Navigation team to deliver food, baby supplies, medical supplies and other items to patients.

Essential Duties and requirements
- Must have a valid license and reliable vehicle.
- Must have a smartphone to be able to access the referral sheet.
- Must be available for up to 4 hours/day M-F, to respond to delivery requests from the navigation team.
- Must speak and read English. Spanish language ability is a plus.
