

Advocacy Priorities for 2024

Leading Colorado Language Access Coalition working to enhance language access at the Colorado Capitol (and beyond)

Implementing & sustaining career integration initiatives for Colorado's internationally trained medical doctors (HB22-1050)

Continuing research & stakeholder leadership prioritizing the needs of dual language learner (DLL) families in early childhood systems

Leading Coalition on Refugee & Immigrant Mental Health in strategizing to improve behavioral health workforce opportunities and care access for immigrants and refugees

Supporting ongoing coalition efforts to ensure universal legal representation in immigration proceedings

Boosting knowledge of tax credit eligibility and tax preparation resources among linguistically diverse families
